Motivation of the research

The foresight survey

This survey uses the Millennia2025 Strategic Axes (SA) which are now uniquely combined with the UN Sustainable Development Goals 2030 (SDG).

In the survey, we use the keywords as summary of the issue: **She4Education**, **She4Equality**, **She4Justice** and **She4Economic-Leadership** in reference to the whole context and analysis.

- The international survey of Millennia2025 She4Innovation covers four sets of combinations.

- Please click for the questionnaire, register: you will receive an email including a token, copy it on the survey's page and provide your answers.

Your contribution to this survey will include you in the further discussions based on the results.

The first outcome of the survey will be analysed and presented to the participants for their feedback. Welcome!

## Keyword: **Economic leadership**

The process that led us to combine the three SA/SDGs provides the basic assumption that **Economic leadership** (SDG-8 and SA-6) is **the very innovative solution** to develop **by** women **for** women's and girls' futures: this is why we need **your input** and responses to the international survey of Millennia2025 She4Innovation.

**SDG 8.** Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all.

+

**SA-6.** To improve the access of women in the social and economic activities, which are both carrying performance, efficiency, equity and social responsibilities.

=> Please answer the **She4Economic-Leadership foresight survey**

Millennia2025 She4Innovation

Motivation of the research

The foresight survey

### Survey: Millennia2025 She4Innovation => Economic Leadership

#### Q-Ec-1 - Definition of the issue She4Economic-Leadership

Define and explain the title of this issue on the basis of the context (country, region, community, ...) in which you evolve (with women's point of view).

#### Q-Ec-2 - Retrospective assessment

How has the issue She4Economic-Leadership influenced - or not - women's empowerment during the last 10 (or 20) years?

#### Q-Ec-3 - Actual issues

What is the impact of the issue She4Economic-Leadership on women's daily life in your country, region or community, as well as on their participation to ongoing development and progress?

## **Q-Ec-4 - Uncertainty and discontinuities**

To what extent can the elements of She4Economic-Leadership stop the process of women's empowerment and their active contribution to desirable futures by 2025?

---

## **Q-Ec-5 - Possible assumptions for next 10 years**

How will She4Economic-Leadership modify the status of women's empowerment as well as their role in society by 2025? Please give some (1 to 3) best practises or concrete projects as examples.

---

## **Q-Ec-6 - Emerging issues**

What are the emerging issues of She4Economic-Leadership for women? What have they to loose or gain?

---

## **Q-Ec-7 - Concrete proposals**

Provide 1-3 concrete proposals taking She4Economic-Leadership to account in the assumptions or alternatives by 2025. (Please explain: why should She4Economic-Leadership be taken into account as a priority in the assumptions or alternatives of the future?)

---

## **Q-Ec-8 - Sources, bibliography and links**

List the sources of information that you present, the bibliography and the useful links.

### Millennia2025 Femmes et Innovation :

Prospective, réseaux internationaux et actions concrètes pour l'autonomisation des femmes et l'égalité des genres, Bilan 2007-2015 - Objectif 2025

## Ensemble pour l'égalité !

La Fondation Millennia2025 Femmes et Innovation active le *Plan d'action pour l'autonomisation des femmes et l'égalité des genres* de Millennia2015 conduit avec le patronage de l'UNESCO en 2012, comme premier aboutissement du processus international de recherche prospective que j'ai créé et construit au sein de l'Institut Destrée depuis 2007.

Vous et moi, nous sommes toutes et tous concernés par cette action en faveur de l'application des droits humains : femmes et hommes de tous âges, de tous pays, de toutes cultures. Ensemble, nous contribuerons à relever le défi de l'égalité. Ensemble, nous pourrons alors nous préoccuper de l'essentiel : construire un monde durable et en paix pour les générations futures.

Ce livre vous propose un voyage à aborder par plusieurs chemins : l'objectif global de l'égalité entre les femmes et les hommes, la méthode prospective, le réseau international de chercheur-e-s volontaires de Millennia2025, la chronologie du processus de recherche prospective, les actes des conférences internationales et les actions concrètes pour l'autonomisation des femmes. Bienvenue !

The book is written in French including links to all the chapters in English on [www.millennia2015.org](http://www.millennia2015.org). Welcome !
